CONDITIONS OF PERMIT

1. This permit shall not be valid on any road, public or private, other than the public highways stated herein.
2. The truck/tractor and/or semi/trailer combinations must have a valid registration certificate. The truck/tractor must be registered for primary highway gross vehicle weights applicable to the vehicle configuration being used, for this permit to be valid.
3. This permit shall not be valid if any axle, axle group or gross vehicle weight exceeds the regulation weight for primary highways as set out in the Vehicle Weight and Dimension Regulations 1999.
4. This permit is not valid if the vehicles do not meet the Vehicle Equipment Regulations requirements.
5. The issuance of this permit does not allow the permittee to exceed 10 kg per mm width of tire (manufacturers stamped dimension) on any wheel or group of wheels unless the tire size and axle loadings are specified in the permit.
6. The issuing of this permit shall not relieve the holder thereof from responsibility for any damage cause to said highway, or to any public improvement, or to any other person or property, by reason of the operation covered by this permit. The holder of this permit agrees that he will so carry out his operations as to cause a minimum of interference with the traffic on the said highway and must also indemnify the Rural Municipality and Department of Highways and Transportation against any claims in connection with traffic accidents which occur as a result of said operation.
7. The issuing of this permit does not relieve the holder thereof from the requirements of any legislation whether federal, provincial or municipal.
8. No movement of overweight vehicles will be permitted during adverse road and weather conditions. During such conditions an enforcement officer may temporarily void the permit until such time as it is in his opinion, safe to proceed.
9. The permittee shall before crossing any bridge, or culverts, which are inadequate to carry the vehicle and its load, reinforce them to the extent necessary.
10. The permittee shall pay and hereby undertake to pay the municipality on demand such sum as may be required to remedy any damages caused to the said road, bridges or culverts through the operation of the said vehicle or vehicles or in any way arising from the said operations covered by this permit.
11. It is the responsibility of the permittee to ensure that the vehicle has adequate insurance coverage and is properly licensed to transport the load specified on the permit. (This permit does not allow for weight in excess of the registered gross vehicle weight of the vehicle. For information call toll-free 1-800-667-7575).
